

# Privacy policy

One of our main priorities is the privacy of our visitors. This Privacy Policy document contains types of information that is collected and recorded by Context Aggregation and Analysis (CAA) Service and how we use it. This privacy policy ("Policy") describes that CAA application programming interface (API) ("CAA API", "SERVICE", "we", "us" or "our") does not collect and use the personally identifiable information ("Personal Information") you ("User", "you" or "your") may provide. It also describes how it collects, protects and uses the non-personal information. This Policy does not apply to the practices of companies that we do not own or control, or to individuals that we do not employ or manage.

The terms used in this Privacy Policy have the same meanings as in our Terms and Conditions, which is accessible at [CAA] unless otherwise defined in this Privacy Policy. This SERVICE is provided by CERTH-ITI at no cost and is intended for use as is.

## Collection of personal information

No personal information is collected.

## Collection of non-personal information

When you connect to our service, it automatically record information that your browser sends such as your device's IP address.

## Use and processing of collected information

Non-Personal Information collected is used only to identify potential cases of abuse and establish statistical information regarding SERVICE usage. This statistical information is not otherwise aggregated in such a way that would identify any particular user of the system.

## Data deletion

The user can request to delete the data collected by his/her query using the 'delete' button which appears below the query.

## The rights of users

You may exercise certain rights regarding your information processed by us. In particular, you have the right to do the following: (i) you have the right to withdraw consent where you have previously given your consent to the processing of your information; (ii) you have the right to object to the processing of your information if the processing is carried out on a legal basis other than consent; (iii) you have the right to learn if information is

being processed by us, obtain disclosure regarding certain aspects of the processing and obtain a copy of the information undergoing processing; (iv) you have the right to verify the accuracy of your information and ask for it to be updated or corrected; (v) you have the right, under certain circumstances, to restrict the processing of your information, in which case, we will not process your information for any purpose other than storing it; (vii) you have the right to receive your information in a structured, commonly used and machine readable format and, if technically feasible, to have it transmitted to another controller without any hindrance. This provision is applicable provided that your information is processed by automated means and that the processing is based on your consent, on a contract which you are part of or on pre-contractual obligations thereof.

## How to exercise these rights

Any requests to exercise User rights can be directed to the Owner through the contact details provided in this document. These requests can be exercised free of charge and will be addressed by the Owner as early as possible and always within one month.

## Information security

We secure information you provide on computer servers in a controlled, secure environment, protected from unauthorized access, use, or disclosure. We maintain reasonable administrative, technical, and physical safeguards in an effort to protect against unauthorized access, use, modification, and disclosure of Information in its control and custody. However, no data transmission over the Internet or wireless network can be guaranteed. Therefore, while we strive to protect your Information, you acknowledge that (i) there are security and privacy limitations of the Internet which are beyond our control; (ii) the security, integrity, and privacy of any and all information and data exchanged between you and our SERVICE cannot be guaranteed; and (iii) any such information and data may be viewed or tampered with in transit by a third-party, despite best efforts.

## Data breach

In the event we become aware that the security of the SERVICE has been compromised or users' Information has been disclosed to unrelated third parties as a result of external activity, including, but not limited to, security attacks or fraud, we reserve the right to take reasonably appropriate measures, including, but not limited to, investigation and reporting, as well as notification to and cooperation with law enforcement authorities. In the event of a data breach, we will make reasonable efforts to notify affected individuals if we believe that there is a reasonable risk of harm to the user as a result of the breach or if notice is otherwise required by law. When we do, we will post a notice on the Website.

## Legal disclosure

We will disclose any information we collect, use or receive if required or permitted by law, such as to comply with a subpoena, or similar legal process, and when we believe in good faith that disclosure is necessary to protect our rights, protect your safety or the safety of others, investigate fraud, or respond to a government request.

## Changes and amendments

We reserve the right to modify this Policy relating to the Website or Services at any time, effective upon posting of an updated version of this Policy on the Website. When we do we will revise the updated date at the bottom of this page. Continued use of the Website after any such changes shall constitute your consent to such changes.
